*Week students*

As a week student, you will receive 1 or 2 private lessons a day from Monday to Friday (depending on your goals and wishes) with your own horse.

We can offer you accommodation in one of our guest houses and boarding for your horse. Our guest houses are provided with a simple bathroom and kitchen.

Before and after your own lesson, you can watch the other lessons and the training of our horses. Also, you can decide to go sight-seeing (we can provide you with some suggestions and a bike) or simply relax and enjoy the atmosphere at our stable.

Rates for week students:

Private lesson (50 minutes): 50 euro

1/2 lesson (25 minutes): 25 euro

10 lessons or 20 1/2 lessons: 450 euro

Guest house (arrival Sunday, departure Saturday): 450 euro

Every additional night: 70 euro

Boarding horse (arrival Sunday, departure Saturday): 90 euro

Every additional night: 12.50 euro
