Working students

For a minimum of 4 weeks up to 3 months, you can stay with us at our stable as a working student. The work includes stable work for 6 days a week. 1 day a week you will be free to rest, go sight-seeing or do otherwise.

In return for working for us, you will receive free boarding and 5 private lessons a week. It is possible to bring your own horse (boarding included) or to have lessons with one of our horses.

We can house a maximum of 2 working students at a time. You will be accommodated in our guest room with 2 single beds.

Please note that we cannot insure ourselves for our interns, therefore as a working student it is important to arrange your own insurance!

If you are interested in a working student position at our stable, please send us your C.V. including your previous experience with horses, your level of training, your goals and ambitions.
